

Taste Concert

Information Sheet

A Taste concert is an evangelistic event that can be used at any time of the year and is an ideal event to see young people become Christians and to encourage young Christians in their faith.

Content

This is a high impact event using exciting yet thought-provoking songs with a message to churched and un-churched young people. Different band members use their faith stories as well as powerful imagery on a large screen to communicate the message of Jesus love and forgiveness. Many young people have come to faith through these events and others have been encouraged and strengthened in their own faith.

Purpose

This concert is an ideal event for both Christian and non-Christian young people to attend. The event will help people who are not necessarily familiar with the Christian faith to grasp that faith in Jesus has relevance to their lives today. There is an opportunity for a response to the Gospel at a Taste concert but we recommend that it is followed by a discovery course such as Check it out (coming soon) or Youth Alpha. Taste CDs will be available at the event.

Duration

The Taste concert lasts for two hours. We recommend that refreshments are served during an interval half way through the concert.

Technical

All technical support, PA, lighting and video is supplied by Viz-A-Viz Technical Solutions for venues seating up to 400 people. For larger venues please contact Richard Bright at Viz-A-Viz Ministries:

tel: 01268 530531 email: richardbright@vizaviz.org

Venue

The organising church(es) need to find a suitable venue, such as the church hall, school hall or a theatre hall. We aim to be as accommodating as possible with venues and can work in reasonably confined areas.

A stage area or platform of 6m x 4m is required.

Publicity

Viz-A-Viz Media provide high quality flyers and posters that we can offer you at a very reasonable cost. These need overprinting with event details which you can send to Richard Bright (details above).

Cost

The ministry gift suggested will be dependant upon the number of churches involved and the size of venue to be used. Additionally, travel costs will need to be covered.

Booking:

To check availability, to book a Taste Concert or if you have any other queries please contact Mandy Rubin at Viz-A-Viz Ministries:

tel: 01268 530531 email: mandyrubin@vizaviz.org
